

SONOMA, AUGUST 10, 1895.

H. H. GRANICE - EDITOR.

This time editor Lemmon of the *Republican* jumps on editor Livernash of the *Healdsburg Enterprise*. By turns the former has said naughty things about almost every brother of the quill in the county. In the case of brother Livernash the head and front of his offending was an article, and a mighty good one, too, which urged his people to sustain home enterprises, and which ought to receive the endorsement of every newspaper in the county. So with Santa Rosa's journalistic "bogey man," who tries to make a little local capital out of brother Livernash's plea for his people to trade at home.

THE Santa Rosa *Democrat* in commenting on the change in ownership of the *Sebastopol Times* says: "It is now the property of H. H. Granice, who owned the *Sonoma Index-Tribune*." We will inform our contemporary that the latter paper is still very much owned by its present editor and, what is more, both offices are free from all incumbrances. The *Times* will be conducted by J. P. McDonnell, with whom we have associated ourselves, while the *INDEX-TRIBUNE* man will continue to manage the steering apparatus of Sonoma Valley's local newspaper.

NOTWITHSTANDING the Sonoma and Marin Agricultural Society has been deprived of its annual appropriation by Gov. Jim Budd the enterprising people of Petaluma have subscribed the money necessary to defray all expenses and will hold their yearly Fair anyhow. The Fair will open on August 19th and will close on the 24th. We trust the people of Sonoma Valley will do all in their power to make the Fair a success. The people of Petaluma deserve to be encouraged in their laudable undertaking by every section of Sonoma and Marin counties.

## Small Beginnings

Make great endings sometimes. Ailments that we are apt to consider trivial often grow, through neglect, into atrocious maladies, dangerous in themselves and productive of others. It is the disregard of the earlier indications of ill health which leads to the establishment of all sorts of maladies on a chronic basis. Moreover, there are certain disorders incident to the season, such as malaria and rheumatism, against which it is always desirable to fortify the system after exposure to the conditions which produce them. Cold, damp and miasma are surely counteracted by Hostetter's Stomach Bitters. After you have incurred risk from these influences, a wineglassful or two of Hostetter's Stomach Bitters directly afterward should be swallowed. For malaria, dyspepsia, liver complaint, kidney and bladder troubles, nervousness and debility it is the most decidedly popular of remedies and preventives. A wineglassful before meals promotes appetite.

## Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Mr. A. H. Cransby, of No. 125 Kerr St., Memphis, Tenn., writes that his wife had cancer which had eaten two large holes in her breast, and which the best physicians of the surrounding country treated, and pronounced incurable. Her grandmother and aunt had died of it.

and when told this, the most eminent specialists of New York, under whose treatment she was placed, declared her case was hopeless. All treatment having failed, she was given up to die. S. S. & S. was recommended, and astonishing as it may seem, a few bottles cured her sound and well. Our treatise on this disease will be sent free to any inquirer.

SONOMA, AUGUST 10, 1895.

CITY OFFICIAL PAPER.

## Local Brevities.

A large number of people visited Agua Caliente Springs last Sunday and the swimming baths were well patronized.

Hon. R. W. Miller and Editor Thompson of the Santa Rosa Democrat were in town yesterday, and during their brief stay favored this office with a call.

Eugene Donaldson, who holds the five-mile medal of the Sonoma Bicycle Club, went to Napa Wednesday where he will enter the races which take place in that city next Monday.

Fishing in the small streams in the vicinity of Sonoma and Glen Ellen is very poor for August. There is a remarkably small amount of water in Fowler, Hooker, Stewart and Hook creeks and in consequence trout are scarce.

H. Winkle Jr. has commenced the erection of a new dwelling on his farm two miles east of town. The new building will occupy the site of the Winkle residence which was destroyed by fire several years ago.

About forty boys from the Home for Feeble Minded attended the circus in Santa Rosa on Friday of last week. The youngsters, who were accompanied by Mrs. Dr. Osborne and Mrs. Downing, the matron, enjoyed themselves immensely.

The suicide of the late Henry Moller of Santa Rosa so affected the mind of his wife that it was decided to send her to the Home for Feeble Minded at Eldridge, where under the care of Dr. Osborne, her speedy recovery is anticipated by her friends.

The professional card of R. W. Miller, attorney at law, Santa Rosa, appears in another column. The gentleman, who has lately located at the county seat, has had twenty years' experience in our courts and has been very successful. He will be an ornament to the bar of Sonoma county.

The waiting station at Ignacio is a disgrace to the San Francisco and North Pacific Railway Company and the patrons of the road who have been here for connecting trains can, literally, not only of the little shanty used as a depot, but also of the long wait—an hour and a half—they are subjected to. This station is an important one and ought to receive more consideration at the hands of the company.

How dear to my heart is the old silver dollar, when some kind subscriber presents it to view; the liberty head without necktie or collar, and all the strange things that to us seem so new; the wide spreading eagle, the arrows below it, the stars and the words with the strange things they tell, the coin of my father's we're glad that we know it, for some time or other 'twill come in right well,—the spread eagle dollar, the star spangled dollar, the old silver dollar we all love so well.—Ex.

## Glen Ellen Squibs.

The new residence of Henry Chauvet is rapidly nearing completion.

The little daughter of John Alsved died last Tuesday of brain fever.

San Francisco picnics to Glen Ellen Park have been discontinued for the season.

Frank's Comedy Co. appeared here two nights this week to crowded houses.

The public school opened in this place last Monday with an attendance of 25 children.

The painting of the Congregational church edifice at this place will soon be under headway.

John Kearney has made a number of improvements on the road leading to the California Home.

Frank Small of Oakland is visiting his sister Mrs. James Cowan, who resides on Sonoma Mountain.

A. R. Harrison and H. R. Marks will leave for Eel River on Sunday for a week's sport in the mountains.

The smoky atmosphere in this vicinity the past week indicates a forest fire some where in the northern part of the county.

Chas. Weise and James Pieratt killed a three-pointer buck, one day this week, on the Tom Wilson ranch near this place. The animal weighed 125 pounds dressed.

Joe Waddington left here last Sunday on his wheel for Santa Rosa. He has not yet returned but it has been reported that he had reversed the general order of things and was seen slowly wending his way to the City of Roses with the "bike" on his back. We hope he may return none the worse for his trip.

## THE CITY TRUSTEES.

## The President Refuses to Sign the Peddlers' Ordinance—Other Matters.

The City Trustees met in regular monthly session last Wednesday evening, a full Board being present.

After the reading of the minutes of a previous meeting which were approved, the Finance Committee reported that they had examined Clerk Breitenbach's financial report for the last fiscal year and found the same correct. On motion the report was ordered published according to law.

The Street Committee was instructed to consult Supervisor Thompson about the construction of a culvert on Germany street.

Marshal Robin was also instructed to notify property-owners to have certain water courses running through their premises cleaned within ten days after notification, else the Trustees would have the work performed at the owners' expense.

When the question of the Peddlers' License Ordinance, passed at a previous meeting, came up for discussion President Seipp refused to attach his signature to the document on the ground that the ordinance was unlawful.

Clerk Breitenbach was authorized to notify Jas. B. Morris to procure the proper burial permit, remove the remains of his mother from the public receiving vault in Mountain Cemetery and bury the same immediately.

The Clerk was also instructed to give notice to property-owners in the Sonoma INDEX-TRIBUNE of the time and place when the Trustees will sit as a Board of Equalization to equalize the city's assessment as made by the City Assessor.

The following bills were allowed and ordered paid:

Carl Haderman, cleaning fire apparatus, \$15; Ed. Carr, labor, \$2; F. Breitenbach, three months salary, \$25; A. Janette, labor, \$4; M. L. Charles, labor, \$5; L. Breitenbach, hauling gravel, \$13.25; J. E. Robin, salary and services, \$24; Wm. Green, lumber, \$29.32; A. Bulotti, labor, \$4.

The Board then adjourned.

## Sonoma Valley vs. Paso Robles.

The Santa Rosa Democrat of last Sunday devotes a large part of its space to booming the Paso Robles Springs, situated in another part of the State. It is now in order for our esteemed contemporary, if it desires to work in the interest of Sonoma county, to say something about the remarkable hot sulphur springs of Sonoma Valley located at Agua Caliente and Agua Rica, three miles from Sonoma. The curative powers of these springs are the equal, if not the superior, of any springs known in the world. They are accessible, too, being only two hours travel by two lines of railway from the metropolis. In addition to this they are located in one of the loveliest and most healthy valleys of California.

## Silver Delegates Elected.

The following delegates were elected at Santa Rosa Saturday to the silver convention to be held at San Francisco August 19th. A. J. Warner, A. B. Lemmon, J. W. Keegan, E. C. Hildreth, A. D. Laughlin, Samuel Rhoads, Alexander Benjamin, Don Mills, S. T. Coulter of Santa Rosa; Jno. Merritt, J. C. Davis, J. Hoadley, D. M. Winans of Petaluma; E. F. Miller, G. N. Sanborn, Martin Litchfield of Sebastopol; W. N. Gladden, Martin Hooten of Healdsburg; J. G. Heald, E. G. Furber of Cloverdale; W. S. Staley of Kenwood; Leander Ellis of Geyserville; J. E. Poppe of Sonoma; L. J. Gillman of Guerneville.

## Real Estate Transfer.

Carl Haderman this week sold his place, in the southwestern suburbs of town, consisting of ten acres, to Chas. A. Guyot lately of Illinois. The consideration was \$2,000. This is about the fourteenth time this place has changed hands in as many years, the place being sold each time by real estate agent Twigg.

## Fair Ranch Horse Sale.

The Fair ranch sale of horses which took place in San Francisco, on Thursday of last week, was a success considering the low prices which now prevail for horse flesh. Twenty-five equines were sold and netted \$1800. The horses were all blooded trotting stock and a few years ago would have brought \$8,000 or \$10,000.

The difference between Pills and Simmons Liver Regulator, is just this: Pills don't go down very easy with most people, and you feel them afterwards. While Simmons Liver Regulator in liquid or powder is very pleasant to take, and the only feeling that you have afterwards is the great relief that it gives from Constipation, Biliousness, Sick Headache and Dyspepsia. It is a mild laxative and a tonic.
